The federal regulations require that a proportionate amount of your federal funds be used to provide services to children with disabilities in private schools within the school jurisdiction and that a report be provided to the State Department of Education. At the end of the school year, an evaluation must be submitted to the Division of Special Education that includes certain information (Section 612 (a)(10)(A).

Please find enclosed the evaluation form for outlining the services provided to private school children with disabilities during the 2010-11 school year from IDEA funds. ALL LEAs must submit these forms to your Management Consultant by August 1, 2012.

If you have any questions concerning the evaluation, please contact your Management Consultant or me at (615) 253-1987.
